

TOP10 Things to Know About Vassar College's Title IX Process

10

We respect you, and you'll feel that respect in how we treat you throughout the resolution process.

9

Serious sanctions are imposed for findings of misconduct.

8

A wide range of interim measures are available to protect you, upon request.

7

You can have any non-witness support person of your choosing to accompany you throughout the process.

6

The College's process is compliant with federal and state law.

5

All Title IX administrators are comprehensively trained and certified in Title IX compliance.

4

Our office maintains your report with confidentiality.

3

It uses the preponderance of evidence standard (*whether a policy violation is more likely than not*).

2

It's fair to all parties.

1

It's prompt, often completed within 60 days.
