To: Class of 2028

Subject: First-Year Registration

Welcome! Registration for the Fall term will take place on Friday, August 30th, in Room 204 in the College Center.

Procedure:

- On Tuesday afternoon, August 27th you will meet with your pre-major adviser who will give you your Class of 2028 Registration Form (pink). This form lists the courses for which you are currently preregistered. You will need the form to complete your registration later in the week.
- On Thursday afternoon, August 29th please bring your pink registration form to your individual meeting with your pre-major adviser for final approval of your fall course selections. All students must secure their adviser's signature on this pink registration form. If you misplace this form stop by the Office of the Registrar and pick up a duplicate copy.
- The registration form notes in the bottom left-hand corner the number of units for which you are currently preregistered. This number, and your random registration number determine when you are scheduled to complete your registration. **Your registration appointment day/time is listed in the lower left-hand corner of the registration form.** Proceed to the Room 204 in the College Center on Friday, August 30th to complete your registration.
- You can access your final schedule on the Web immediately following registration. Simply click on Campus Life on the Vassar Home Page and then Ask Banner/Systems (under Student Life) and request your student schedule.
