PREAMBLE

This is a Labor Agreement made and entered into as of July 1, 2022 by and between HUDSON VALLEY SAFETY AND SECURITY OFFICER'S UNION hereinafter referred to as the "UNION" and "VASSAR COLLEGE," Poughkeepsie, NY, hereinafter referred to as the "College."

ARTICLE 1 - PURPOSE AND INTENT

The purpose of this Agreement is to promote and maintain good relations between the College, the Union and the employees represented by the Union, and to make clear the basic provisions upon which such relations depend. It is the intent of both the College and the Union to work together to provide and maintain mutually satisfactory terms and conditions of employment and to prevent, as well as to adjust, misunderstandings or grievances relating to employment. Both the College and the Union believe in and accept collective bargaining as a means of carrying out the purpose and intent of this Agreement.

ARTICLE 2 – NLRB RECOGNITION CLAUSE

The unit shall consist of all full-time and regular part-time security officers employed by the College at its 124 Raymond Avenue, Poughkeepsie, New York location, excluding all office clerical employees, professional employees and supervisors as defined in the Act, and all other employees.

ARTICLE 3 - UNION MEMBERSHIP

- (a) All employees of the College who were Union members on the date of ratification of this Agreement, or who enter the employment of the College after that date, with the exceptions noted in Article 2, shall maintain their membership in the Union for the duration of this contract as a condition of their employment by the College.
- (b) All new employees of the College with the exceptions noted in Article 2, shall be required to join the Union after thirty-one (31) days of employment and to maintain their membership in the Union for the duration of this contract as a condition of employment by the College. The College shall report to the Union on a monthly basis the status of any employee hired who is doing bargaining unit work.
- (c) The College agrees to deduct bi-weekly Union dues from the first paycheck in each month of each employee whose membership in the Union has been certified to the College by the Union and who has filed with the College an individual authorization for such deduction from wages. The deduction shall in each instance be of such an amount of monthly dues as is certified from time to time by this Union. The individual authorizations shall be irrevocable for the duration of this Agreement. All monies so deducted by the College shall be transmitted to a person designated by the Union before the tenth (10th) day following that in which such deductions are made. The Chapter Chairperson of the Union shall furnish the College with a certificate showing the name and address of the duly authorized official of the Union to whom such money shall be transmitted.

ARTICLE 4 - MANAGEMENT RIGHTS

Except to the extent expressly abridged by the specific articles and sections of this Agreement, the Employer reserves, retains and possesses, solely and exclusively, all the inherent rights and authority to manage and operate its facilities and programs. Such rights shall be exercised in a manner which is not inconsistent with this Agreement. The sole and exclusive rights and authority of the Employer include specifically, but are not limited to, the making of rules to assure orderly operations and effective work, the mandating of overtime, the implementation of a timekeeping mechanism, the installation and removal of equipment, requiring that unit members utilize assigned equipment such as safety vests and body-worn cameras, subcontracting work to supplement the workforce, the scheduling of work, the determination of what duties will be performed and of employee competency, the hiring, transfer, promotion, demotion, layoff or discharge of non-probationary employees for cause, and the right to discuss terms and conditions of employment directly with employees and to inform them directly concerning employment matters, and the right to continue the assignment of overtime as needed.

Failure of the College to exercise any function hereby reserved to it, or its exercising any such function in a particular way, shall not be deemed a waiver of its right to exercise such function or preclude the College from exercising the same in some other way not in conflict with the express provisions of this Agreement.

ARTICLE 5 – DEFINITIONS

Section 1 Full-Time. The term “Full-Time” employee as used in this Agreement shall mean any employee covered by this Agreement who is regularly scheduled to work at least forty (40) hours a week.

Section 2 Part-Time. The term “Part-Time” employee as used in this Agreement shall mean any employee covered by this Agreement who is regularly scheduled to work more than twenty (20) hours but less than forty (40) hours a week.

Section 3 On-Call Officers. The term “On-Call Officers” as used in this Agreement shall mean any employee hired by the College for work which is temporary. On-Call Officers shall not be entitled to any fringe benefits, unless the On-Call officer is regularly scheduled to work at least thirty (30) hours week and a minimum of 1,000 hour per year.

ARTICLE 6 - NON DISCRIMINATION

It is the policy of Vassar College to provide a working environment free from discrimination or harassment. In accordance with state and federal law, discrimination or harassment based on race, color, religious belief, sex, marital status, disability, sexual orientation, gender identity or expression, national or ethnic origin, veteran status or age is not permissible. Additionally, should state or federal law be enacted which prohibits discrimination or harassment based upon a group’s protected status not listed in the above categories, this Article will be deemed amended to afford protection to such groups. A unit member may pursue a grievance under this Article, or alternatively, under the College’s Non-Discrimination Policy but under no circumstances may a member pursue a grievance under both.

ARTICLE 7 - GRIEVANCES, CONCILIATION AND ARBITRATION

(a) The term “grievance” shall mean a complaint by an employee or the Union concerning the interpretation or application of a specific provision of this Agreement, except for those provisions which are expressly precluded from coverage of the grievance procedure. A grievance must be presented to the College in writing in accordance with the time limits established in this Article. The written grievance must include the known facts, the provision of the Agreement allegedly violated, the remedy sought and the date the alleged violation occurred. A grievance must be signed by both the aggrieved employee as well as the Union in order for it to be processed under this Article.

A failure to respond within the time frames of the grievance process shall be considered an automatic denial.

(b) All claims that this Agreement has been violated shall be handled in accordance with the following procedure:

FIRST STEP: Within ten (10) calendar days immediately following the occurrence of the event giving rise to the grievance, the matter will be discussed orally between a Union steward/Business Agent selected by the Union to represent the employee, the aggrieved employee and the employee’s immediate supervisor.

SECOND STEP: If the grievance is not adjusted in the First Step within five (5) calendar days, the Union steward officer selected by the Union and the aggrieved employee may take the matter up directly with the employee’s appropriate department head. In no event shall a grievance be filed at Step Two more than fifteen (15) calendar days from the filing of the First Step grievance. The Union shall reduce the grievance to writing, sign the grievance and submit it to the department head on the form annexed hereto as Appendix “B”.

THIRD STEP: If the grievance is not adjusted in the Second Step within five (5) calendar days of the decision of the department head, the matter shall be disposed of as follows:

The Union shall present to the Office of Human Resources of the College a written request for a conference for the purpose of discussing and settling the alleged grievance, and such written request shall state in detail the nature of the grievance. The conference shall be arranged by the Office of Human Resources with the President of the Union or their duly authorized agent and shall be held within fifteen (15) calendar days following receipt of the written request for a conference. The Office of Human Resources will present a written answer to the grievance within seven (7) calendar days immediately following the conference.

FOURTH STEP: A grievance which is not adjusted in the third step to the satisfaction of the Union may be submitted to arbitration by the Union, but only in accordance with all of the following terms and conditions:

- (1) The submission of written demand for arbitration must be made in writing by certified mail, with a copy to Human Resources, postmarked within five (5) calendar days immediately following the receipt by the grievant of the Third Step answer, or if no answer is received, within ten (10) calendar days after the meeting of the parties in which the grievance was heard at Step Three. The arbitrator shall be selected in the order of appearance on the following rotating list of arbitrators:

Jay Siegel
Ira Lobel
Thomas Rinaldo

If the arbitrator is not available within a reasonable period of time, the parties shall go to the next person on the list.

- (2) The jurisdiction and authority of the arbitrator of the grievance, and their opinion and award shall be confined exclusively to the interpretation of the provision or provisions of this Agreement at issue between the Union and The Employer. The arbitrator shall be limited to deciding whether the action which is the subject of the grievance, in fact, violated a provision of this Agreement. The Arbitrator shall have no authority to add to, detract from, alter, amend or modify any provision of this Agreement, or to hear the merits of any grievance which was not timely processed by the employee and/or Union or which does not qualify as a grievance subject to the arbitration provision that is set forth in Section 1 a of this Article. The decision shall be final and binding upon the employer, the Union, and the employees, except as otherwise provided in this agreement or under law.
- (3) The cost of the arbitrator's service will be borne equally by the College and the Union.
- (4) If the grievance is not appealed to arbitration as provided in this Section within the timeline outline above, the grievance shall be considered barred and forever waived, and the last written answer of the College shall be final and binding on the aggrieved employee, the Union and the College.

ARTICLE 8 - UNION REPRESENTATION FOR GRIEVANCES & DISCIPLINE

1. Employees will not be required to meet with Management in cases involving grievances or disciplinary infractions, unless such infraction would constitute a crime if committed, without a Union Representative of the employee's choice present, provided the representative is available within a 24 hour period. The College also agrees that any member of the Union selected as an Officer or Steward shall be allowed reasonable time off with prior approval for the performance of such duties without loss of seniority rights.
2. An employee representing the Union in the discussion of grievances with the representatives of the College or representing an employee during disciplinary investigation will be paid for time lost from work during such discussions or investigations provided such time lost is during the regular working hours of said employee or employees. The Chair of the Union shall be allowed the opportunity to meet with new members within thirty (30) work days of hire, provided such meeting does not exceed thirty (30) minutes in length, and the Chair obtains prior approval from their supervisor. Both the Chair of the Union and the new member shall be provided with paid release time to hold such meeting.

ARTICLE 9- STRIKES AND LOCKOUTS

It is agreed between the parties that during the term of this Agreement, whether or not there be a grievance dispute pending, there shall be no strike, lockout or stoppage of work.

ARTICLE 10 – EMPLOYMENT

Section 1.

- (a) Full time employees shall serve a probationary period of one (1) year of regular full-time service. Part-time employees shall serve a probationary period of two (2) years of regular part-time service.
- (b) Substitute work, on-call work, and temp work shall not count toward time worked for purposes of any probationary period. Except an employee who fills a vacancy, regardless of how the position is classified, shall have such service, not to exceed a period of six (6) months, count towards the probationary period, provided such service is in a single assignment and immediately precedes the employee's appointment to either a regular full-time or regular part-time position.
- (c) During the probationary period, the College is free to discipline or terminate the employment of any such person without notice or warning or reference to the grievance provision of this Agreement. After the completion of the probationary period, disciplinary action must be taken for cause.

Section 2.

All leave benefits will begin after completion of six (6) working months in the same classification. Sick leave, personal leave and vacation time will be accrued retroactively to the initial day of employment of six working months.

Section 3.

Health insurance coverage shall begin on the first day of the month following the commencement of employment.

Section 4.

A unit member who is required to maintain a certification or license (including but not limited to New York State Security Guard License, driver's license, AED certification, and CPR certification) to hold their position with the College, and whose license or certification lapses, shall be afforded one period of unpaid leave during their career with the College, not to exceed thirty (30) calendar days, in order to obtain the necessary license or certification. If the unit member demonstrates that they have taken reasonable steps to obtain their certification/license within the 30-day calendar period, but the certification/license renewal was not received, an additional 30-calendar day extension of the unpaid leave shall be granted. Reasonable steps include the following: (i) registering for a recertification class within a 100-mile radius; and (ii) submitting all necessary paperwork to the State for recertification/renewal of license within a timely manner. If the unit member fails to obtain the necessary license or certification within thirty calendar days (or 60-calendar days if extended), they shall be terminated and shall not be entitled to grieve the termination.

Section 5.

The College will notify the Union promptly of pending discipline and/or termination of unit members. The employee may request that the details of the discipline be withheld.

ARTICLE 11 - HOURS AND WORKING CONDITIONS

Section 1.

- (a) Regular full-time employees covered under this Agreement shall normally work a forty (40) hour week, five (5) day work schedule which may include Saturdays and Sundays. Each regular full-time employee on the B or C shift will have (2) consecutive days off in seven (7) consecutive days. Each regular full-time employee on the A shift and floaters will have two (2) days off each seven (7) days. Time and one-half (1½) will be paid for all hours worked in excess of forty (40) hours per week. The Director of Security, or their designee, will establish a part-time employee's scheduled days and hours of work.
- (b) If any regular full-time employee is temporarily assigned in an acting supervisory capacity, the individual's classification shall not be changed. The Officer in Charge positions will not hire, fire, discipline or recommend discipline, for employees for whom they give direction.

- (c) All regular full-time employees shall be paid at one and one half (1½) times their regular rate, if required by the college, to work on their regular day off.
- (d) The regular workweek shall be Sunday through Saturday with a bi-weekly pay period. All employees shall be paid on the Friday following the end of each bi-weekly pay period.
- (e) Schedules will be changed only to meet the operating needs of the College. The College will notify the Union of a proposed schedule change that is less than thirty days in duration at least one week in advance of the effective date of the proposed schedule change. The College will notify the Union of a proposed schedule change that is more than thirty days in duration at least four weeks in advance of the effective date of the proposed schedule change. Schedule changes will be done in order of seniority.
- (f) Regular full-time employees who work seven (7) consecutive days shall be paid double time for hours worked on the seventh day.

Section 2.

The number of hours worked in a day or night shift shall be worked continuously with the exception of meal periods, except if mutually agreed to between the employee and the College.

Section 3.

Regular full-time employees shall have a lunch period of not less than thirty (30) minutes each shift, but should still be available for calls.

Section 4.

If a regular full-time employee is called back for duty outside of their regular work hours, they shall be paid in accordance with the provisions of the contract, but in no instance shall they receive less than four (4) hours pay at the straight time rate. To be eligible for call back pay: (a) the employee must be mandated to work the additional hours; and (b) the call back shift (or partial shift) must not be contiguous to the employee's regularly scheduled shift. This provision does not apply to any call back for training, which is addressed below.

If an employee reports to work to attend training on a day when they are not scheduled to work, they shall be paid for a minimum of four (4) hours for attending such training. If there is a gap of one hour or more between the end of an employee's shift and the start of the training, or the end of the training and the start of an employee's shift, the employee shall be paid for a minimum of three (3) hours for attending such training. If there is less than a one hour gap between the start or end of an employee's shift and the start or end of training, the unit member shall only be paid for the time spent attending the training.

Section 5.

An officer mandated to back-to-back shifts shall have the option of selecting their job assignment from the available assignments, provided however, such provision shall not apply in emergency situations, or when a specific assignment requires a specific gender (e.g. female officer assigned to enter female locker room), or if an assignment requires a specific qualification which the officer does not possess (e.g. CRC assignment). The officer that is required to swap their assignment with the mandated officer shall not be permitted to challenge the change in assignment.

ARTICLE 12 – SENIORITY

Section 1.

- (a) The College recognizes the seniority principle with respect to employees covered by this agreement. For the purposes of transfer, vacation time, and work schedule, seniority will be considered. The College will give preference to the employees having the greatest length of service in that order where applicable provided that the College may give reasonable consideration to the qualifications of employees, including ability, training, skill, competency and other relevant qualities for particular purposes. When skill and ability are relatively equal, then seniority in the prescribed order shall apply. The College shall be the sole judge of an individual's skill and ability. Any disagreement with the judgment may be treated as a grievance and handled in accordance with Article 7, of this Agreement.
- (b) Layoffs shall be done according to inverse seniority, except officers who are certified as CRC's may be given preference in a layoff situation. CRC officers will be laid off according to inverse seniority within the group of CRC officers. For the purpose of layoff and rehiring, seniority for full-time employees will be determined by the individual hiring date. Unit members who are laid off shall be placed on a recall list for a six-month period and shall be recalled in seniority order provided that they meet the qualifications for the vacancy. For example, a security officer who is not trained as a CRC has no rights to be recalled to a vacancy that requires CRC training. All members shall be afforded the opportunity to be certified as a CRC officer.

CRC officers are those officers that are regularly assigned to duty in the Campus Response Center and have successfully completed all mandated training. The Officers are responsible for all tasks in the center which include but are not limited to the following tasks: answering all calls for service and dispatching the appropriate departments; implementation of emergency operations plan; alarm monitoring; card access; notification to various off campus agencies, i.e. police and fire department; contacting the administrator on call, counselor on call; ; SAVP (Support Advocacy and Violence Prevention Program); trespass list documentation; key listing and sign out. CRC officers must be competent with all computer programs utilized in the CRC, have the ability to maintain accurate logs, fill out all appropriate paperwork and perform other duties as assigned by their supervisor.

- (c) The mailing by certified mail, with return receipt of a written notice by the College to an employee at the latest address as shown on the College records, shall constitute "recall" by the College. The time of three (3) calendar days and five (5) calendar days shall begin on the

day of receiving the certified mail as evidenced by the return receipt. It will be the responsibility of each employee to keep the College informed as to their proper address.

- (d) A separate seniority list for regular full-time employees and regular part-time employees shall be maintained by the College and made available to the Union upon request.
- (e) The College agrees that loss of time due to sickness or accident shall not be construed to impair the seniority rights of the employees involved.
- (f) Seniority rights shall terminate if any employee:
 - i. quits or retires;
 - ii. is discharged for cause;
 - iii. fails to return to work from an approved leave of absence;
 - iv. fails to give notice of acceptance of recall within three (3) calendar days and to report for work within five (5) calendar days after notice or recall by the College, unless such failure is due to illness of the employee evidenced by a doctor's certificate;
 - v. is absent for four (4) consecutive working days without notifying the College, unless due to an illness of the full-time employee which is evidenced by medical verification which prevents the employee from notifying the employer of their absence.
- (g) When two or more unit members are tied for seniority purposes, the College shall determine seniority in accordance with each unit member's month and day of birth. For example, if there are three unit members tied for seniority and the first unit member's birthday is September 15th, the second unit member's birthday is March 31st, and the third unit member's birthday is December 1st, for purposes of determining seniority unit member two with the birthday of March 31st would be considered most senior, unit member one with the birthday of September 15th would be the second most senior, and unit member three with the birthday of December 1st would be the least senior among the three. In the event that unit members who are tied for seniority have the same birthday, a coin flip shall be used to break the tie.

Section 2.

- (a) The College shall have the sole discretion to determine whether there is a need for overtime, i.e. additional hours, to be worked.
- (b) Overtime opportunities shall be distributed in accordance with seniority, provided the officer is qualified for the assignment. Such overtime shall first be offered to all qualified full-time employees and then to all regular part-time employees prior to other on-call officers. Notwithstanding the above, the College may bypass seniority and assign an on-call officer to cover any absence of three days or more.
- (c) For the first three (3) incidents during a fiscal year that supervisors (as a group) inadvertently

skip over unit members in the bargaining unit for overtime opportunities, each affected unit member shall be offered the next available overtime opportunity that is equal to or greater than the number of hours that were offered in the missed opportunity. For any incident beyond three (3) in the bargaining unit during a fiscal year that supervisors (as a group) inadvertently skip over unit member(s) in the bargaining unit, the unit member(s) who is inadvertently skipped on the fourth (4th) occasion and beyond in a fiscal year shall be paid their overtime rate pursuant to this article for the number of hours that were offered in the missed overtime opportunity.

Section 3.

If an officer separates from service and is rehired by the College within six months, the officer will return with their seniority and hourly rate earned prior to their separation.

ARTICLE 13 - EVALUATIONS AND OBSERVATIONS

- A. The performance review process provides the employee and their supervisor the opportunity to review an employee's performance on key competencies and specific job skills. During this review, each party will have the opportunity to discuss the performance during the evaluation period and areas to develop in the upcoming year.
- B. All unit members will be evaluated. The evaluation shall be conducted by their supervisor or their designee, through a performance review process which may include announced and/or unannounced observations.
- C. The evaluator and the unit member shall review and sign the written evaluation at the time of the conference to acknowledge that they have reviewed it. In the event a unit member refuses to sign the evaluation or attend the conference mentioned above, such refusal may be noted on the evaluation, but the evaluation shall still be placed in the file.
- D. Unit members shall have the right to file a response to the formal evaluation within twenty (20) calendar days of receipt. Evaluations and response, if any, will be maintained in the personnel file.
- E. Employees shall be provided with a copy of all evaluation reports.
- F. Probationary employees will be evaluated by the immediate supervisor at least once every six months. A regular full time employee shall be evaluated at least once annually.

Section 4. Longevity

On the employee’s anniversary date at the start of the fifteenth year of unit service, an employee shall receive a longevity payment of \$0.50, which shall be added to their base hourly rate. Any employee with more than fourteen years of service as of September 5, 2019, shall receive such payment effective as of September 5, 2019.

ARTICLE 15 – VACATIONS

Section 1.

All regular full-time employees shall receive a vacation with pay upon the completion of six (6) months of employment.

Section 2.

Vacation pay shall be based upon a standard workweek of forty (40) hours and at the rate of pay that is in effect during the period in which the vacation is taken. All regular full-time employees may select vacation periods at any time during the year after they have been earned, but the College shall be the judge as to whether work requirements permit exercise of choice by the regular full-time employee.

Section 3.

There will be limited vacation scheduling during peak periods, but the College will consider extenuating circumstances. Peak periods include but are not limited to, Founder’s Day, Reunion, Inauguration, Halloween on Campus Event, Special Olympics, and First Year move-in day (even if on Labor Day). Commencement shall be a black out day, where no vacation scheduling will be permitted.

Section 4.

Regular full-time employees shall be given a choice of vacation on the basis of seniority by job classification, providing such choices shall be consistent with work requirements.

Section 5.

Regular full-time employees shall be entitled to take their vacation periods on a consecutive weekly basis when such scheduling does not interfere with the normal efficient operation of the department.

Section 6.

Regular-full time employees who would like to participate in the annual vacation pick process must submit at least one week (five days) of that time in a block between April 1st and April 30th for the period of July through December, and October 1st and October 31st for the period of January through June. During the annual vacation pick process, a full-time employee may submit one (and only one) “long-term” request for the following calendar year. Decisions as to block vacation requests shall be made within 15 calendar days of the submission deadline. Block vacation shall be awarded in accordance with seniority based upon the submissions received in each period. Non-block vacation requests shall be submitted at least three (3) calendar days, but no more than forty-five (45) calendar days, in advance of the requested time off.

Section 7.

Regular full-time employees shall receive their vacation pay in advance on the day preceding the vacation period, provided they are given sufficient notice. Except for block vacations, any regular full-time employee who submits a written request for vacation should expect to receive a response (approved or denied) within ten (10) calendar days of receipt of this request by their supervisor. As per Article 15, Section 6, a request for non-block vacation cannot be submitted more than 45 days in advance of the requested time off. When a request for vacation is entered on Workday, an email requesting the time off must also be sent to the designated shift supervisor.

Start of 20 th year	22 days

A unit member who commences employment after January 1st but prior to July 1st shall have their vacation pro-rated effective July 1st of his/her first year of employment. For example, a regular full-time employee hired on March 1, 2019 would be entitled to 2/3rds of the 5-day vacation allotment, i.e. approximately 26.7 hours, on July 1, 2019. On July 1, 2020, the regular full-time employee shall be entitled to their next vacation allotment based upon the allotment schedule above.

Part-time employees shall receive pro-rated vacation leave after four years of service.

Section 9.

All regular full-time employees may carry over up to ten (10) vacation days into the next year. However, the maximum accumulation of vacation days shall be the annual allotment plus ten (10) days.

Section 10.

All regular full-time employees are entitled to payout of accrued (earned) vacation on a pro rata basis upon termination of employment subject to the following conditions:

- (a) Resignation of employee with two (2) weeks notice to the College.
- (b) Permanent layoff, but under no circumstances discharge for cause.
- (c) There shall be no accrued vacation pay for any employment of six (6) months or less.

Terminal vacation pay will be made following the payroll period after documentation for final accounting is submitted to payroll. The vacation period agreed upon will follow the last date of actual active employment.

Section 12.

Vacation selection shall take place twice every 12 months. The first selection shall be May 1st for vacation taken during the period of July through December, and the second selection shall be November 1st for vacation taken during the period of January through June.

Christmas Eve
Christmas
Juneteenth

A recognized holiday that falls on a Saturday will usually be observed on the preceding Friday. A recognized holiday that falls on a Sunday will usually be observed on the following Monday.

In addition to the recognized holidays listed above, the College calendar contains four holidays each fiscal year: Lincoln's Birthday, Washington's Birthday, Martin Luther King Day, and Veterans' Day. The College will announce, each year, the designation of these days based upon the operating needs of the College.

Section 2.

Due to the nature of the College calendar, some College departments may be required to be open on some holidays and security officers may therefore be required to work. In such case, announcements will be made regarding the need for such openings. All regular full-time employees required to work on holidays shall receive time and one-half for time worked plus holiday pay (i.e. 2.5 times pay). All regular full-time employees shall be paid at straight time for regularly scheduled workdays during a holiday week if the holiday is not worked.

Section 3.

Officers are eligible for holiday pay provided that they work on their regularly scheduled work day (including any advanced scheduled overtime) before and after a holiday or holiday period, unless otherwise excused or the employee provides a legitimate verifiable excuse. Employees that are absent due to Workers' Compensation or Disability are not entitled to holiday pay.

Section 4.

Employees are not typically eligible for holidays until after the completion of six (6) months of employment. Eligibility for the floating holidays depends upon when the holiday is celebrated. For example, if a floating holiday occurs in January and is celebrated in December, an employee shall be eligible if hired in January as the holiday is not celebrated until December.

Section 5.

A regular full-time employee's birthday shall be considered as a floating holiday for the individual employee after the achievement of regular status. It shall be selected by the individual at a time mutually agreeable to the employee and the employee's supervisor within the six (6) months following the birthday.

ARTICLE 17 - SICK LEAVE

Section 1.

All employees shall accrue sick leave at the rate of four (4) hours for each one hundred and four (104)

hours worked, exclusive of sick time. In no event shall a unit member receive less than fifty-six (56) hours of sick leave per contract year (which shall be prorated for less than a full year worked).

Section 2.

Employees may use sick leave for any of the reasons set forth in paragraph 4 of Section 196-b of the New York State Labor Law as amended from time to time.

Note: At the time of the ratification of this Agreement the uses permitted under Section 196-b of the New York State Labor Law consists of the following reasons impacting the employee or a member of their family for whom they are providing care or assistance with care:

For mental or physical illness, injury, or health condition, regardless of whether it has been diagnosed or requires medical care at the time of the request for leave; or

For the diagnosis, care, or treatment of a mental or physical illness, injury or health condition; or need for medical diagnosis or preventive care.

For an absence from work when the employee or employee's family member has been the victim of domestic violence as defined by the State Human Rights Law, a family offense, sexual offense, stalking, or human trafficking due to any of the following as it relates to the domestic violence, family offense, sexual offense, stalking, or human trafficking:

- to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the employee or employee's family members;

- to meet with a district attorney's office;

- to take any other actions necessary to ensure the health or safety of the employee or the employee's family member or to protect those who associate or work with the employee.

Section 3.

The sick leave plan is modified to include supplementary benefits to conform with the provisions of the New York State Disability Benefits Law. An employee's sick leave accumulation will be reduced

only by the hours of sick leave paid for by the College. The sick leave plan provides benefits comparable or in excess of what is required by Labor Law Section 196-b.

Section 4.

All regular full-time employees shall receive a one-time payment of \$350 for each six (6) calendar month period (July 1-December 31 and January 1-June 30) in which there is no claimed sick leave or unexcused absence.

Section 5.

All regular full-time employees, upon retirement, shall receive payment of fifty percent (50%) of their accumulated unused sick leave to which they were entitled during the last year of service not to exceed 450 hours. In addition, any regular full-time employee who has not used any sick time in the last five (5) years preceding their retirement will receive a bonus of one (1) extra week (40 hours) of pay. Furthermore, any regular full-time employee with 5 years of service or more, upon leaving the College (except for cause), shall receive a payment of 50% of their accumulated unused sick leave, not to exceed 450 hours.

Section 6.

The College may request a doctor's note for any absence of three (3) or more consecutive working days. Employees are required to call in at least two (2) hours prior to their work shift each day of absence to notify the on duty supervisor.

Section 7.

Employees may use available sick leave in no less than thirty (30) minute increments. If possible, the employee will make every effort to schedule medical or dental appointments at the beginning or ending of their shift.

Section 8.

The College retains final approval regarding the transfer of sick time under this arrangement.

All transfer requests must be in writing to the Associate Vice President of Human Resources identifying from whom and to whom the transfer is being made.

A donating member may not revoke or retain their donation once the request has been received by Human Resources and donated days are forfeited by the donating party upon receipt of the days by Human Resources. Additionally, donated days have no cash value upon retirement.
