

Group Pricing Special 2026–2027 Heating Season

10-01-2026

Dear Vassar College Employee,

At Bottini Fuel, we are proud to be a family-owned and operated company serving the Hudson Valley for generations. With more than 300 local employees, we remain committed to providing reliable service, competitive pricing, and exceptional value to our customers.

As a valued employee of the Vassar College, we are pleased to keep offering exclusive pricing and fuel programs designed to help you manage your home heating costs throughout the 2026–2027 heating season. Please see the following plans below, we have not priced these plans because we believe that we are going to see more favorable conditions to offer a lower price soon. We are in constant communication with your group and hope to get your offer out as soon as possible.

Fuel Oil:

Variable Pricing Program

As an employee of Vassar College, you will receive a special fuel oil price of **40¢ above wholesale cost**. Unlike many competitors who advertise discounts without disclosing their actual costs, at Bottini Fuel we believe in complete transparency. We publish our wholesale pricing and provide programs backed by our **Guaranteed Fair Price Commitment**, so you always know exactly what you're paying.

Price Protection Plans:

Our Most Popular Program, Fuel Oil Cap Price Protection Plan.

Protect yourself from rising fuel prices while still benefiting from market decreases.

Cap Price \$.20 off Bottini Fuel's Current Retail Capped Price

For a one-time, non-refundable enrollment fee of **35¢ per protected gallon**, you can secure a Capped Price for the entire 2026–2027 heating season.

Benefits include:

- You will never pay more than your protected cap price, regardless of market increases.
- If market prices fall below your cap price, you automatically receive the lower discounted delivery price.
- You choose how many gallons you would like to protect.
- Enjoy peace of mind knowing your heating costs are protected all season long.

Fuel Oil Prepay Program \$.20 off Bottini Fuel's Current Prepay Price Protection Plan.

- Lock in a guaranteed fixed rate per gallon for the entire heating season.
- Prepay based on your estimated seasonal fuel usage.
- Any fuel used beyond your prepaid estimate will be billed at the prevailing Variable Rate.

Please Note:

- Price protection becomes effective upon acceptance of Bottini Fuel's terms and conditions.
- All plans are subject to change based on market conditions.
- Prices do not include applicable taxes, tariffs, or environmental fees.

Propane:

For customers who heat their homes with propane, Bottini Fuel is happy we can offer a fixed-price protection for the 2026–2027 heating season. Price for that usage will be \$2.799 per gallon.

For any other usages please call our office.

Bottini Fuel can replace qualifying company-owned tanks at no charge for approved customers, provided all gas lines meet current code requirements. We recommend contacting your current supplier regarding tank removal and any available gas credits.

Please note that tanks not using at least twice their tank capacity annually may be subject to rental fees.
