Regular Decision February 1

Application Requirements

2024-2025 [CSS Profile](#)

- Available October 1, 2023
- Vassar School Code 2956
- If student's parents are divorced, separated or never married and live separately, both the custodial parent and the noncustodial parent will each need to complete their own CSS profile
- Vassar does NOT provide fee waiver codes nor do we accept the paper College Board International Student Financial Aid Application (ISFAA) as an alternative to the CSS Profile

Submit tax documents to [College Board IDOC](#) (Institutional Documentation Service)

Once your CSS profile is completed and processed, you will receive an email with instructions for the IDOC process. Submit the following items:

- Parent Income Tax Returns – for the most recent year that was filed for your country. Translated to English (if applicable). If parents live within the US, submit 2022 Federal Tax return including all pages and schedules.
- Statement of Earnings - from parent employer(s) indicating current annual wages, bonuses, and benefits (i.e. housing, automobile, education allowances, etc.) The statement should indicate if the income is gross income (before taxes, in which case we need to also know the taxes paid) or net after taxes
- [International Business/Farm Supplement](#) – if parents have a business, partnership and/or farm
- [Certification of Finances](#)

How can I track the status of my financial aid application?

Prospective students/applicants can view which documents have/haven't been received via the Vassar Admission [Applicant Portal](#). Please do not rely on IDOC's Document Management Portal for this information as it may not reflect a complete list of application requirements.
