Log into Workday

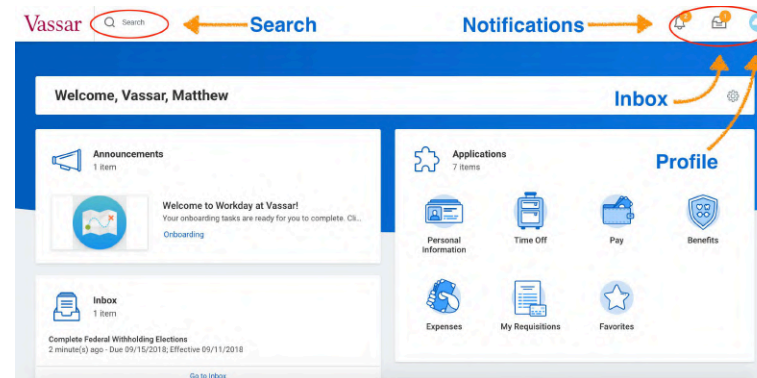

You will be able to log into Workday from several links and locations on the College website. You may want to add this URL as a personal bookmark.

1. Go to <http://workday.vassar.edu>

2. Enter your Vassar username and password. Press Enter or click on SIGN IN. For username and password issues, call 437-7224.

3. You will see the Workday dashboard with a few items indicating the location of SEARCH, NOTIFICATIONS, PROFILE, and INBOX.

The icons on your dashboard are called “worklets”. You may have different worklets depending upon your job and responsibilities, but all employees will have Personal Information, Pay, and Time or TimeOff worklets.

All employees also have a Workday inbox. Access your Workday inbox by clicking on your tiny photo (or cloud icon) to the right of your name or by clicking on the Inbox icon.

For assistance, call 437-7224 or email servicedesk@vassar.edu

Your inbox may contain Workday Actions awaiting your attention. When an item flows into your Workday inbox, you will also get a message in your Vassar email inbox. You may view and sort Action items by date, due date, or other filters. Once an Action item is completed, it will move from the Actions portion of your inbox to the Archive section.

4. When you click on your photo or cloud icon to the right of your name, you will also see Notifications, Favorites, etc. and a button at the bottom of the list to Sign Out of Workday. If you receive a Notification, it may be part of a business process that does not require any action on your part -- HR or Payroll just wants you to be aware that the action has occurred.
